User Manual

**Thankyou for purchasing the G256 iBright Classic Gamer.
Please read User Manual prior to use and keep a copy for your records.**

Specifications

1. 8 Bit game console
2. Screen size: 2.8inch Full colour screen
3. Rated voltage: DC5V
4. Built in game card: 256 games
5. Charge time: ~ 2.5 Hours
6. Play time: ~ 4 hours
7. Rechargeable battery

In the Box

1. 1 x Classic Gamer
2. 1 x USB charge cable
3. 1 x AV cable
4. 1 x User manual
5. 1 x Game List - QR code (back of gamer)

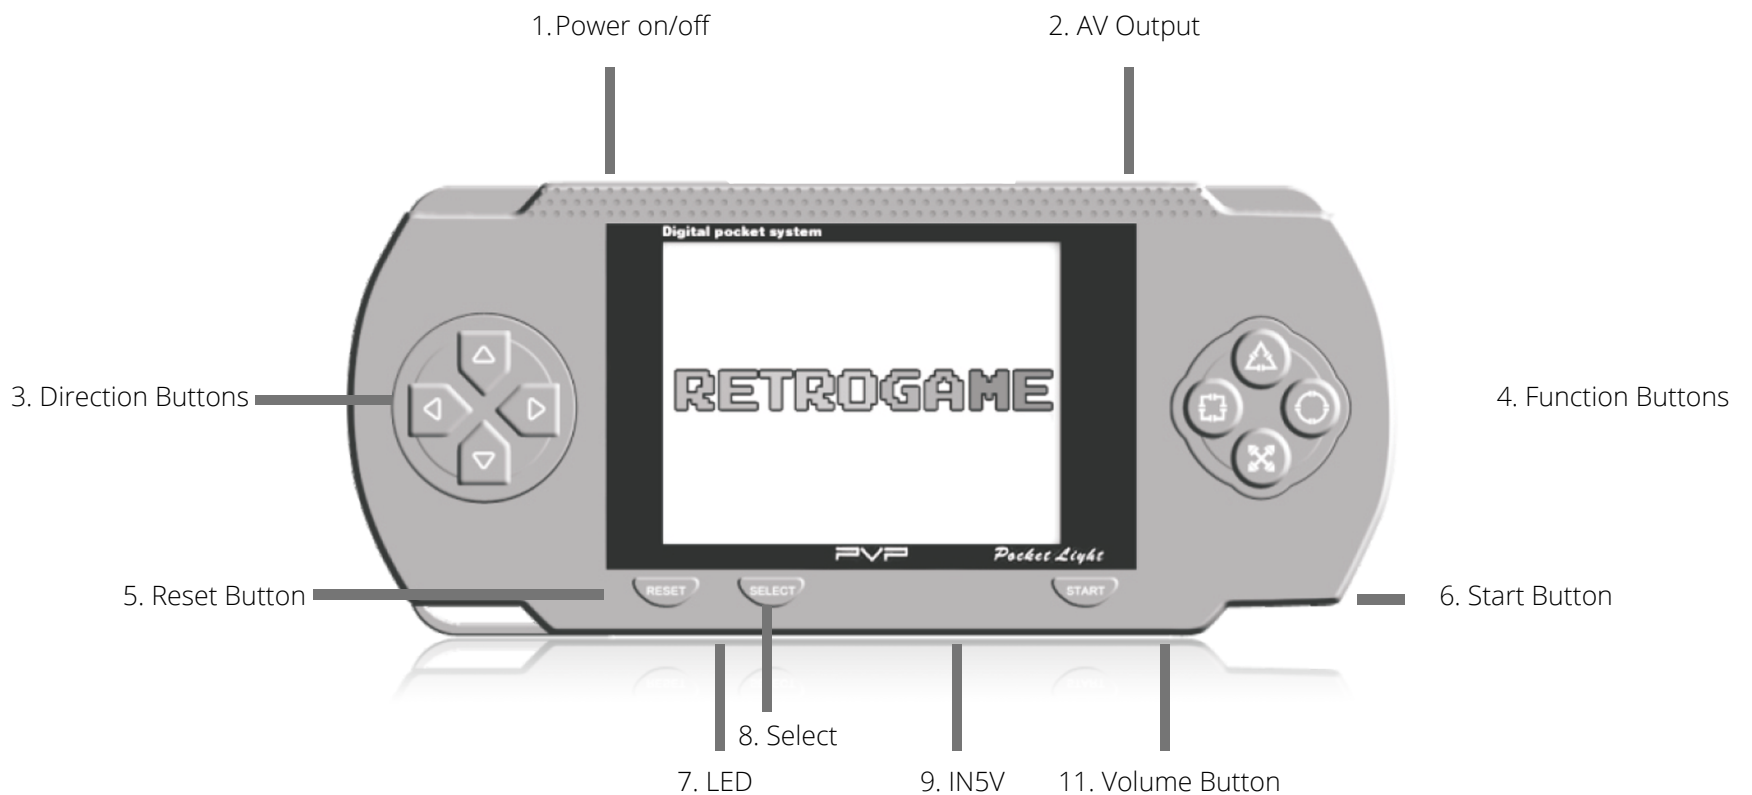

Safety Precautions

1. This product is NOT waterproof. Keep product in a dry environment, away from splashing water, rain or humid environment.
2. Keep product away from fire and high temperatures to avoid damage and explosion.
3. When external DC5V is used for power supply, the power supply current should be .5- 1A.
4. This product has a rechargeable lithium battery. For your safety, please do not attempt to remove the battery.
5. Cables, AV cords and lithium battery are included with the product. When in use, supervision with children is recommended to avoid accidents.
6. We recommend taking 10-15 minute breaks every hour.
7. At end of product life, do not place in household waste. Please dispose responsibly as per your local council electronic disposal guidelines.

**NOTE: Not suitable for children under the age of 3 years.
Cables and lithium battery are included with the product. When in use, supervision with children is recommended.**

User Manual

Game Key Description

Function Description

- 1. Power** For portable play, please fully charge your gamer prior to use (~2.5 hours). Charge cable included in box. Power via built in rechargeable battery OR directly use adapter DC5V output to supply power (not provided). On/off button is located on top of unit.
- 2. AV Output - Connect to TV** For play on your TV screen, connect AV cables (provided) from AV output port on your gamer to your TV.
- 3. Direction Buttons** navigate menu and game play via direction buttons.
- 4. Function Buttons** Due to large range of games included from different game suppliers, the function buttons vary per game. We suggest playing game a few times first to familiarise yourself with button features per game. eg. jump, attack etc
- 5. Reset** press button to reset the screen on your gamer.
- 6. Start** after selecting your game from game menu, press start button.
- 7. LED** working indicator
- 8. Select** scroll through menu then push select button to choose game.
- 9. INV5V** insert charge cable to charge battery.
- 10. Volume** Control. Press up or down to increase/decrease game music.
